Are you ready to make new friends
and connections? Do you enjoy
playing cards?

A few (of the many) reasons for learning (or
returning) to play bridge:

- Bridge is always interesting and great fun.
- It is social, welcoming you into a special 'bridge family'.
- Bridge is a game for life and mind-booster, helping maintain mental sharpness
- Bridge can help improve your general wellbeing.

Our lessons run from 7pm to 9pm for 15 weeks,
finishing Wednesday 12th June. The cost is \$75 which
includes all tutorials, lesson materials, support & club
membership until Dec 31st 2024.
